Approved For Release 2002/1-1/13 : CIA-RDP66R00546R000100100193-1

	Dr. Wheelon	8 April 1963	
25X1A	Dr. Scoville		
	1. This memo is for your information o	nly.	
25X1A 25X1A	2. After you left, the discussion with of and space events. The Director vergardless of where the organization clearly expects you to do the planning.	-	25X1A
25X1A	3. seemed more interested in the problem but mentioned that McNamara should to take this on as a major organizational probyour initial ideas developed.	d ask Horwits and Greenleaf	
,	4. With respect to the space events, some semi-permanent task force to handle exin the same manner as you handled Vostok III unless this was set up this way, you would not or NSA participating that you need. I did point difficult to personally spend as much time	I and IV. He felt that ever get the quality of DoD nt out that you might find	25X1A
